

REFERRAL REWARDS

Diversified is very grateful for the clients that have sent us referrals in the past and we would like to give a new referral incentive. Remember it's because of client referral's we are able to keep the cost of tax returns reasonable even with the continued increase in stationary, office supplies and software each year. The incentive for each referral is a **\$25.00** discount on your next year's (2013) tax return and your referral will also get a **\$25.00** discount on their next tax season (2013) tax return. In order to avoid problems a Voucher has to be filed out and the referral must bring it when they come in. This takes care of confusion of more than one person assuming they referred that same individual. So cut out the Voucher and make sure you fill it out for your referral so that they bring it with them when they come for their appointment. We look forward to seeing you and your referrals soon to have your 2012 tax return done.
